

## Share live access to your facility bookings and meeting schedule.

**OURClub**

**Facility Bookings Add-on**

- Manage your season-long and adhoc bookings of your facilities - oval bookings, courts, cricket nets, pool(s), clubhouse, equipment...
- Links in the facilities and contacts from your current **OURClub** components.

With 24/7/365 online accessibility you will be able to share bookings data live, saving you time and unnecessary stress with clashes and rescheduling.

The **OURClub**

Addon allows facility bookings and meeting schedules to be added, edited and managed in an intuitive calendar style interface, with bookings being echoed in the corresponding components of the **OURClub** system - members, contacts, meetings and facilities.
